Bar Coding
Packaging
Kitting

INDUSTRIAL HOSE & COUPLINGS

◆ **Metal Hose**

Welders certified to section IX of the ASTM Boiler & Pressure Vessel Code
Most complete fabricating and testing facilities in New England
Emergency service
Quality Assemblies – value pricing
Stainless Steel, Bronze, Monel
Specializing in industrial, vacuum, cryogenic and jacketed hose assemblies
Size: 1/4" ID through 24" ID
Custom OEM designs our specialty

◆ **Squarelock & Interlock Hose**

Instrumentation tubing applications:

- Fiber Optics
- Process & control instrumentation
- Temperature measuring
- Recording instruments
- Medical Instrumentation

Shipped bulk or cut to length in sizes 1/16" through 40" ID
PVC Coating available
Specializing in cut to length and deburred

◆ **Teflon Hose**

Smooth bore stainless steel and bronze braided
Working pressure up to 1500 PSI
Temperature rating -65 degree F to +400 degree F

Convuluted Tube stainless steel braided
1/2" to 5" ID flanged or threaded end fittings 304 & 316 SS
Temperature range -100 degree F to +400 degree F

Smooth bore rubber covered
3/4" to 3" ID available
Temperature range -100 degree F to +300 degree F

◆ **Metal Expansion Joints**

◆ **Rubber Expansion Joints**

◆ **Industrial Rubber & Hydraulic Hose**
